GRADE

Enter the player's grade for the 2024-25 school year, or grade equivalent for home-schooled players.

USCF MEMBERSHIP STATUS

Current USCF membership is required to play in any rated section (any section except the K-6 Non-Rated section). If you are purchasing or renewing a USCF membership as part of this entry, complete the USCF MEMBERSHIP section.

USCF ID

To find a player's USCF ID number, search for the player's name using the "Player/Ratings Lookup" function under "Ratings" on the [USCF website](#). Search on variations of the name if necessary. For example, a player may be listed as "Joe Player" or "Joseph Player"; searching under either of these names might fail to find the record, but searching under "Jo Player" will find it in either case. Be aware that if no expiration date is displayed in a player's record, the ID is a non-member ID and *the player is not a USCF member*.

MEMBERSHIP TYPE

The options listed are for individual, one-year memberships. Other types of individual memberships, two-year memberships, and family memberships can be purchased at www.uschess.org/join/. Dues paid for a USCF membership are not refundable.

MAGAZINE OPTION

You may purchase or renew a USCF membership with or without a magazine; however, you may not purchase a subscription for either magazine without purchasing or renewing a USC membership. *Please do not select a magazine unless you have selected one of the membership types listed*. *Chess Life* is published monthly (12 issues per year). *Chess Life for Kids* is published bi-monthly (6 issues per year). USCF members have online access to these magazines.

SECTION

Check only one section. You may change sections for any tournament up until the entry deadline for that tournament, provided that you meet the eligibility requirements for the section you want to move into.

TOURNAMENTS

This entry form can be used only for entering any number of tournaments in the 2024-25 Series. The entry fee is \$18 for each tournament selected. Check the box for each tournament that you wish to enter.

BYES

In each tournament a player may take one half-point bye in any round. To request a bye, enter the tournament month and round number for which you want a bye; for example: Oct 4 (= October tournament round 4), Jan 1 (= January tournament round 1). If you do not want a bye, leave this field blank. Byes are optional; most players do not take any byes.
