

Centennial High School
In Partnership with The Columbus Chess Academy

Presents The Columbus Northwest Classic
Chess Tournament
Saturday, October 20th 2018

Sections: All sections have grade level and rating requirements. Players with more than 10 rated games are not eligible for the non-rated sections. Players in the rated sections must be registered with <http://www.uschess.org> before the tournament. **CCA also has discounted USCF memberships to new members and to students whose membership has expired.**

In non-rated games, notation is not required and clocks are not required but may be used if both players agree. In rated games, notation is optional for grade K-3 players in U500/U900, but a player may lose the right to make claims requiring a score sheet; notation is required for all other rated players. Clocks will be used in all sections with games reaching the time limit. **Rated players should bring their own clocks.**
